

MATHCOUNTS[®] **COMPETITION SERIES** EST. 1983

Volunteers Needed! ***No experience required.***

For over 30 years the MATHCOUNTS Competition Series has challenged bright, motivated students to reach their full potential through exciting contests. Through four levels of competition- school, chapter, state, and national- students compete against and alongside some of the best problem solvers in the country. Top students advance to the next level and eventually to the National Competition.

In Nevada, MATHCOUNTS is sponsored by the Nevada Society of Professional Engineers. **The Southern Nevada competition is February 10, 2018. The Nevada state competition is March 10, 2018. Both competitions will be held at the UNLV School of Engineering.**

Volunteer opportunities for both dates are as follows:

- Grader (grade and score exams)- 9am to 1pm
- Proctor (pass out/collect exams, help inside exam room)- 8am to 11am
- Logistics Helper (all kinds of stuff!)- 8am to 12pm
- Set-Up (unloading materials, setting up exam & grading room)- 6am to 9am
- Take Down (clean up, load cars)- 2:30pm to 3:30pm

Please contact Claire Kohatsu, PE, of Aztech Inspections & Testing, LLC at claire@aztechmaterials.com to volunteer or to ask questions.
